

SAINT LOUIS ABBEY

Fr. Bede's Books

These are, perhaps, not my absolutely *favorite* books. They are the books I come back to over and over again and always find inspiring.

The Stripping of the Altars by Eamon Duffy
Bare Ruined Choirs by Dom David Knowles
English Spirituality by Martin Thornton
The Ecclesiastical History of the English Nation by St. Bede
The Shape of the Liturgy by Dom Gregory Dix
The Hobbit & The Lord of the Rings by J.R.R. Tolkien
The Chronicles of Narnia by C.S. Lewis
The Space Trilogy by C.S. Lewis
The Man on a Donkey by H.F.M. Prescott
The Brendan Voyage by Tim Severin
